Game Description:

Join millions of players as the fastest growing action-RPG comes to the Nintendo Switch. Battle for survival at the edge of the world against boss-sized Behemoths that are devouring the land. Team up with your fellow slayers and master challenging co-op battles. Craft deadly weapons and powerful armor as you forge your legend as a Slayer of Ramsgate.

Look forward to regular updates, seasonal events, new Behemoths, and more in a rich, evolving world.

Features:

- Stand with Us - Slay with your friends from the world, no matter which platform they play on. Dauntless offers true cross play and cross region play..
- Boss Sized Battles - Powerful, wild, and ravenous, Behemoths are a threat to our very existence. Hone your skills and team up with other Slayers to confront these massive beasts before they consume what's left of our world.

- Craft Your Legacy - Harness the power of Behemoths you hunt by converting their parts into powerful armaments in a deep and robust crafting system. Dyes, cells, and transmog stones let you further customize looks and loadouts to define your role as a legendary Slayer.
- Discover the Isles - Explore a vast, ever-changing frontier, brimming with verdant flora and unique wildlife where uncharted adventure await.
- An Ever-changing World - Embark on new adventures with regular updates for years to come - all free-to-play
